

Washington Club Golf - Trial Membership

Washington Club Golf is one of the oldest golf clubs in the United States. It has nine beautiful and challenging holes tucked into a quiet corner in the hills of Litchfield County Connecticut. It was first created in 1889 and now boasts a charming clubhouse, pro shop, putting green, and practice facility complete with driving range, matted and grass tees, and a second putting/chipping green. Clinics and private lessons are offered for men, women, and juniors throughout the golf season in addition to an expanded junior program during the summer.

The Trial Golf Membership will be offered this season to Club and non-Club members. This trial is good for one golf season only and may not be extended.

The following lists specifics related to the Trial Membership:

- *Cost is \$4,770 including tax for Family and \$3,670 including tax for Individual memberships.
- *Trial Membership begins as soon as the course opens and is valid until the end of the golf season, usually November.
- *No assessment or initiation fees will be charged for Trial Membership
- *Full use of all golf facilities, programs, and events
- *No greens fees and unlimited use of practice facilities
- *No tee times required for all members

Upon acceptance as a Trial Member, the stated fees must be paid in full prior to use of any facilities. Trial Members can become Full Members of the Washington Club the following year by acceptance through the Club's normal application process.

If interested please contact Emily Fitzhugh, Membership Chair at membership@washingtonclub.net
